About the Institute

Bundelkhand Institute of Engineering and Technology, Jhansi (BIET, Jhansi) is one of the premier institutions imparting technical education established by Government of Uttar Pradesh. It is an autonomous institute (Granted by UGC). The institute has completed its 25th year of existence. During previous year, the institute has consistently focused on designing, practice oriented learning and contemporary industry-based curriculum. The institute is consistently focuses to achieve the excellence in technical education, quality research, community and consultancy services. A number of projects in the institute are supported by World Bank under TEQIP. The institute always attracts the finest faculty and the best of students for its Bachelor, Masters and Doctoral programs. BIET has rich tradition of perusing excellence and continually re-invented itself in terms of academic program and research infrastructure.

Facilities: The Institute is located in a 250 acres green campus and its building includes Administrative Block, EC block, CE Block, ME block, Academic block and Lecture theatre complex and workshop. The Institute has about 8 hostels for boys and girls. A sports complex for indoor and outdoor sports and games. The institute library has a collection of 35000 books. Institute have campus wide networking of Internet for 24 hours.

Lodging/ Boarding: The Institute have its own guest house and Hostels. There are limited rooms in guesthouse. The participants will be lodged in hostels However good quality and low rent hotels are also available in Jhansi city. Participant may stay there on his or her own expenses.

How to Reach BIET, Jhansi: The BIET, Jhansi is situated on Kanpur Road, Jhansi. It is spread over 240 acres. BIET, Jhansi is about 12 km from Jhansi Railway station. Auto-Rickshaw and taxis are available on reasonable rates at railway station for BIET, Jhansi.

Eligibility of Participants: Faculty from applied sciences, humanities and engineering branches.
