of Institution)

About the Institute

Bundelkhand Institute of Engineering and Technology, Jhansi (BIET, Jhansi) is one of the premier institutions imparting technical education established by Government of Uttar Pradesh. It is an autonomous institute (Granted by UGC). The institute has completed its 25th year of existence. During previous year, the institute has consistently focused on designing, practice oriented learning and contemporary industry-based curriculum. The institute is consistently focuses to achieve the excellence in technical education, quality research, community and consultancy services. A number of projects in the institute are supported by World Bank under TEQIP. The institute always attracts the finest faculty and the best of students for its Bachelor, Masters and Doctoral programs. BIET has rich tradition of perusing excellence and continually re-invented itself in terms of academic program and research infrastructure.

About the Department:

This is one of the indispensable departments of the Bundelkhand Institute of Engineering and Technology, Jhansi. The department imparts excellent quality education in the area of Applied Science (Mathematics, Physics, Chemistry, Environmental Science etc.) and Humanities (Economics & Management, English etc.) for the future technocrats of all streams and enhances innovative thinking among the students. The Department has well equipped laboratories

for Physics, Chemistry and English language. The Department also promotes study and research in new and emerging areas and encourages the academic interaction of the faculty and students at national and international levels. There is an Active role of the department in all the activities like college administration, Examination, etc. The department has been giving best results continuously. The department also emphasizes on improving the communication skills of the students by organizing regular group discussion for the students. The labs are well equipped with latest electronic instruments, a proper dark room in physics lab. The department plans for implementing the projects obtained from various organizations like AICTE, DST, UGC and UOR etc.

Facilities: The Institute is located in a 250 acres green campus and its building includes Administrative Block, EC block, CE Block, ME block, Academic block and Lecture theatre complex and workshop. The Institute has about 8 hostels for boys and girls. A sports complex for indoor and outdoor sports and games. The institute library has a collection of 35000 books. Institute have campus wide networking of Internet for 24 hours.

Lodging/ Boarding: The Institute have its own guest house and Hostels. There are limited rooms in guesthouse. The participants will be lodged in hostels. However good quality and low rent hotels are also available

in Jhansi city. Participant may stay there on his or her own expenses.

How to Reach BIET, Jhansi: The BIET, Jhansi is situated on Kanpur Road, Jhansi. It is spread over 240 acres. BIET, Jhansi is about 12 km from Jhansi Railway station. Auto-Rickshaw and taxis are available on reasonable rates at railway station for BIET, Jhansi.

Eligibility of Participants: Faculty from applied sciences, humanities and engineering branches.

LAST DATE FOR THE REGISTRATION:
The application should be duly forwarded by Director of the institute and should reach on following address latest by 18/3/2017.
