(Affiliated to Dr. A.P.J Abdul Kalam Technical
University, Lucknow)

About the Institute

B.I.E.T Jhansi has a rich tradition of pursuing excellence and has continuously re-invented itself in terms of academic programs and research infrastructure. Students are exposed to rigorous course work and research based activities on its vibrant campus. The institute has industry collaboration programs, interdisciplinary research collaboration and industrial training opportunities that helps students to excel in the competitive professional environment.

About the Department

The Mechanical engineering Department established in 1990, offers courses in B. Tech, M.Tech. and suiting to the requirement of modern industry. The department presents a nice blend of courses focusing on recent development in engineering and technology with special emphasis on design, thermal technologies, production process, automobiles and CAD/CAM. The department has well furnished labs. The department is fully centered in all round development of students.

In the department, we have elite faculty members with excellent teaching experience. Department has fully developed infrastructure, well equipped laboratories and departmental library.

Learning Objective

The workshop is designed to cater the students as well as faculty members to obtain in-depth knowledge on Product Design such as gears, shafts, bolts, Cantilever beam etc using SOLID works Platform and their structural, thermal & Fluid analysis in ANSYS. The workshop is intended to provide an introductory to intermediate level exposure on the aforementioned software platforms.

Who Should Attend?

It is recommended for the undergraduate, Post-graduate students, scientists, faculty members and other stake holders who need to understand the fundamentals of the advanced analytical technique in Solid works & thermal, structural and fluid analysis.

Registration Fees

No registration fee is required for BIET participants. For external participants fee is Rs 500/-

Tourist Places Nearby

Jhansi is situated between the rivers Pahuj and Betwa, a symbol of bravery, courage and self respect. Jhansi city is well known for Maharani Laxmibai who led the forces against British in 1857. It is a historical tourist place with fort of Jhansi and Rani Mahal & connected to tourist places like Orchha, Datia, Gwalior, Khajuraho, Shivpuri National Park etc.
