

Webinar

on

Learning from Bollywood Movies

20 June 2020 from 5 pm to 7 pm

Organised by

Department of Electronics and Communication Engineering

Bundelkhand Institute of Engineering and Technology, Jhansi

under the aegis of

Bollywood is something that has inspired us for many decades now. Whatever we learn, a major part of that comes from the movies we watch, the characters we fall in love with or the characters we look up to. Movies are not just a source of entertainment anymore. Few Bollywood movies have taught us important life lessons. Youth of our country is under high impact of Bollywood movies. Mr. Amit Pandey, a motivational speaker, popularly known as "Human Charger" is a chemical engineer from HBTU, Kanpur & has been associated with various Automotive & Telecom Industries. Currently he is Chief Operating Officer & Board of Director at Exicom Tele-Systems Ltd. In last 6 years, His passion towards his profession has resulted into 115 awards to his credit in the field of Leadership, Procurement, Supply Chain and Human Resource including 69 Individual awards.
