

**Subject: Seeking help for the student registrations in the REC-IIT Kanpur Innovation program for Research Aptitude Test (RAT)**

**Dear Sir/Madam,**

Greetings from Startup Incubation Innovation Centre, IIT Kanpur, UP. Hope this email finds you healthy and safe along with your love ones.

As you know, we have started registration for our REC-IITK Innovation Platform for the students. Please ask your students to visit <http://reclip.siicincubator.com/> and register themselves.

**What is the benefit?**

**Apart from the above benefits, top selected students will get up to INR 2.5L for prototype development and assistance to start their own company/business.**

**Who can participate?**

All UG students and PG (1<sup>st</sup> yr. only) students.

**Syllabus of RAT:**

10<sup>th</sup> standard mathematics, English, analytical ability, perception ability and problem finding's ability.

**Process of Registration for the students:**

**Step-1:** Go to <http://reclip.siicincubator.com/>

**Step-2:** Fill up the form for “Register for RAT” with correct email id & phone number.

**Step-3:** You will receive an OTP in your email id.

**Step-4:** Enter the OTP and other details and submit the form.

**Step-5:** You will receive an “Registration Success full” email. It contains details of RAT including Link.

**Step-6:** Please wait till admin will approve your registration for RAT.

**Step-7:** Once, your registration will be approved by the admin, you will receive an SMS in your number containing your username & password.

**Step-8:** Go to RAT login page (<https://www.aspiration.ai/IITKlogin.jsp>).

**Step-9:** Click on the Institutional Test link. (**Once your RAT is scheduled, it will be reflected here.**)

**Important Note:** There are two different types of questions (Objective & Subjective). 60 Minutes will be allotted for both questions. Students will have 15 objective questions and 2 subjective questions. Students needs to write down the subjective questions either in his/her own copy highlighting the questions and upload the picture of the answers (Please use your mobile camera properly to upload answer in a single file) or they may write down on the MS-Word or any other e-format and upload the file.

Selected students’ details will be announced on the platform and will be informed to you as well.
