## NOTICE

### Summer Internship at Incubation Center, BIET Jhansi

Bundelkhand Innovation and Incubation Centre Foundation (BIICF), BIET Jhansi is pleased to announce its Summer Internship Program, spanning four weeks. This program offers all **B.Tech, MBA** students a unique opportunity to engage with BIICF-affiliated startups, gaining practical experience and insights into the entrepreneurial ecosystem. Participants will be involved in diverse activities, like prototype designing, working on own idea, working with related startup of your field including market research, marketing strategy formulation, and product development, under the guidance of experienced mentors. We seek individuals with strong communication skills, initiative, and a passion for innovation to join us in this enriching journey.

Interested candidates are invited to submit their applications, comprising a resume and cover letter. Successful applicants will benefit from personalized mentorship, networking opportunities, and a certificate of completion. Don't miss this chance to enhance your skills, expand your network, and contribute to the dynamic startup community at BIICF. For further inquiries or to submit your application, please contact us. Join us this summer and embark on a rewarding experience of professional growth and development.

**Note:** Student are informed to follow the proper Institutional procedure to apply for internship.
